# BELGIAN PORK GROUP NV

Belgian Pork Group guarantees sustainable pork production, from the farm to the consumer

Belgian Pork Group is a family business that has 7 production sites in Belgium specialising in slaughtering, cutting, portioning, packaging and freezing quality pork. Every year, Belgian Pork Group processes 420,000 tonnes of pork, a substantial part of which is exported to over 50 countries worldwide. Belgian Pork Group manages the entire chain for processing pork and focuses on (animal) welfare, customised solutions and partnerships. Combining specialisation and automation ensures Belgian Pork Group can offer its clients unique products. The family shareholders are supported by family-run pig farms who have also invested. Belgian Pork Group achieves a turnover of 790 million euros and has over 2,000 passionate employees. This makes Belgian Pork Group the largest producer of pork in Belgium; the family business is also one of the top 10 in Europe.

# VLEESHANDEL CIS VAN DEN BROECK BVBA

When quality and service really matter

Cis van den Broeck is a customer-oriented family business, founded in 1972 by Emil van den Broeck. Cis van den Broeck has been CEO since 1994 and in the meantime the third generation has also joined the company. Together, we have been offering professional skill and quality for 45 years.

We specialise in processing and packaging pork and beef by-products. All at our own production premises that have plate freezers and packing lines. In addition, our own freezer storage has room for over 3000 pallets. From there, we currently export to 37 countries all over the world.

In addition, every day we cut pig carcasses for the local market and wholesale trade, allowing us to offer a comprehensive, customised package for the client in this area too.

# VLEVIA GROUP NV

Since 1 October 2017, VLEVIA Zele (formerly Eurovlees nv) has been part of VLEVIA GROUP. VLEVIA Group is a family business that has been active for almost 100 years in the beef sector and it integrates practically the entire production: breeding and slaughtering the cattle, cutting and processing the meat, transport and logistics. Every week, some 700 cattle are slaughtered. We can offer you the meat in 3 categories: whole carcass, vacuum-packed or in a protected environment (consumer packaging). Our installations comply with the strictest European standards and we hold both a BRC and IFS certificate (level A). Vlevia Group pays a great deal of attention to quality, service and the policy that allows us to continue to grow sustainably.
